

Gazebo Half Wall Assembly Guide

Step 1 : Separate the 2 halves of the plastic connectors

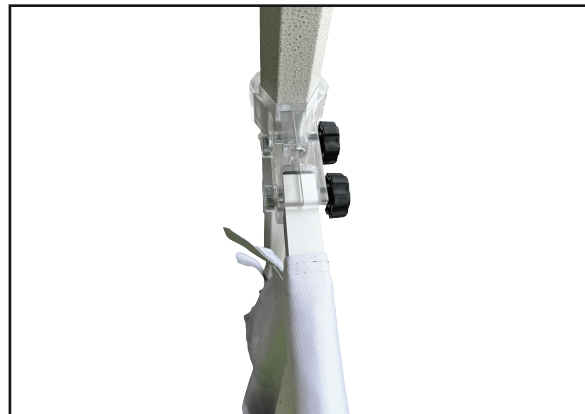

Step 2 : Attach the connector to the post and screw the back screw in place and repeat on other side.

Step 3 : Place the end of the pole into the first connector, screw the pole in place

Step 4 : Extend the pole and slide the fabric onto the pole. Ensure the print faces the right way.

Step 5 : Place the second end of the pole into the second connector and screw it into place.

Step 6 : Attach the velcro straps to the legs of the frame.
